**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

(A) Non-elected claims 29-31 have been cancelled.

2. The following is an examiner's statement of reasons for allowance: None of the prior art references of record, alone or in combination, disclose, suggest or teach an embossing process including altering a first glass transition temperature of the surface to provide a second glass transition temperature, wherein the altering is during embossing, after embossing, or both during and after embossing (as set forth in independent claim 1); treating an embossed polymer (comprising a reaction product of m-phenylenediamine and a dianhydride) surface to increase the glass transition temperature (as set forth in independent claim 23).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
